TO EXECUTE IDEALS - -

Mervyn Van Winkle, Chairman

Roy Peterson

Our Board of Education, we feel, has formulated a set of ideals for the good of our school, and like true administrators, they are doing their best to execute these ideals. They must also keep in mind their duties as official representatives of their fellow townsmen. It is not always easy to reconcile the needs of one with the desires of the others and often find themselves in a "thankless" position.

Harold Busacker, Secretary

Lewis Keilsmeier

This year they are spending considerable time and effort, studying the possibility of enlarging our district through reorganization and consolidation with some of our neighboring rural schools.

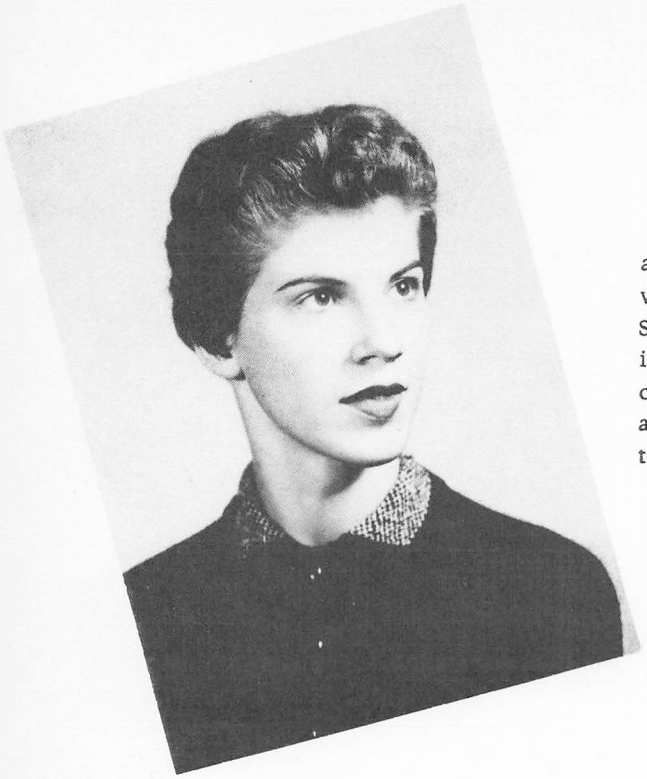
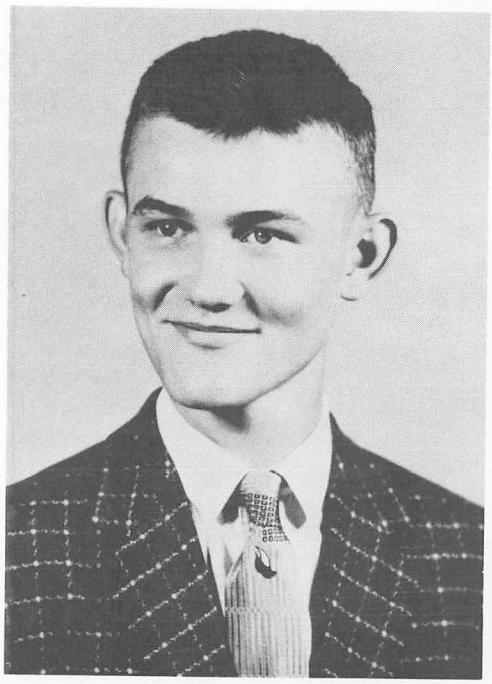
SENIORS

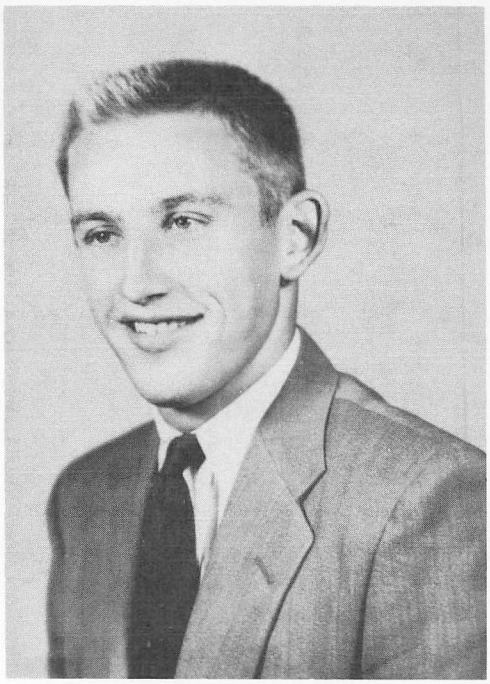


CAROLYN DAMME, our editor, reigned as "Queen of Purple and White Day", served as chairman of the Student Council, vice president of the Pep Club, during this, her senior year. She has been a very good volleyball player and an outstanding music student all four years, bringing home from the music contest a 'Superior' rating on her solo. Besides this long list of activities she has found time to study and will be our valedictorian.

LEONARD FRERICHS, sports editor, also has done solo work in music, he lettered in football two years, and went out for track two years. He is a member of the "T" Club.



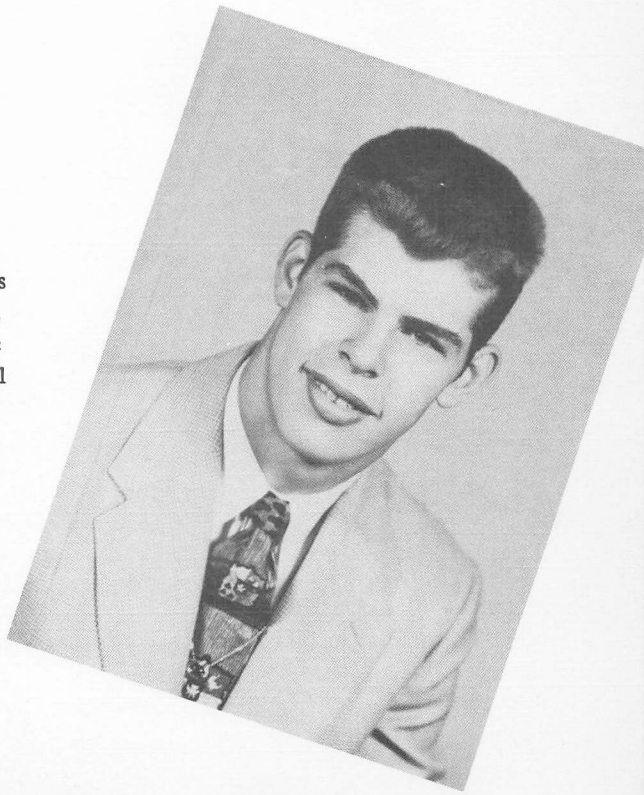
VELDO GADEKEN, grade editor, claims membership in the "T" Club and the Student Council. He has participated in sports all four years.

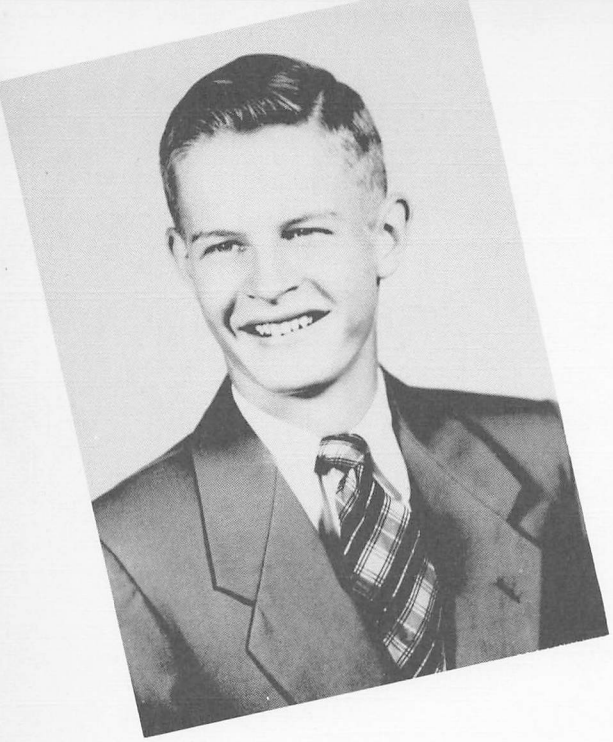


GENE MEYER, class editor, called "swivel hips", "fluid drive" etc. by admiring sports writers, has certainly lived up to his titles, making an outstanding record in all fields of sports. He plans to continue his education in college.

SANDRA MEYER, sports writer, joined our ranks at the beginning of her junior year. Besides being a very good student she has contributed much to the music and sports fields. She is now president of the Pep Club, a cheerleader and a very active member of the "T" Club.

ROBB OSBORN, circulation manager, has been outstanding in sports, including football, basketball and track. He is an enthusiastic "T" Club member and has served as sentinel of the Talmage F.F.A. Chapter

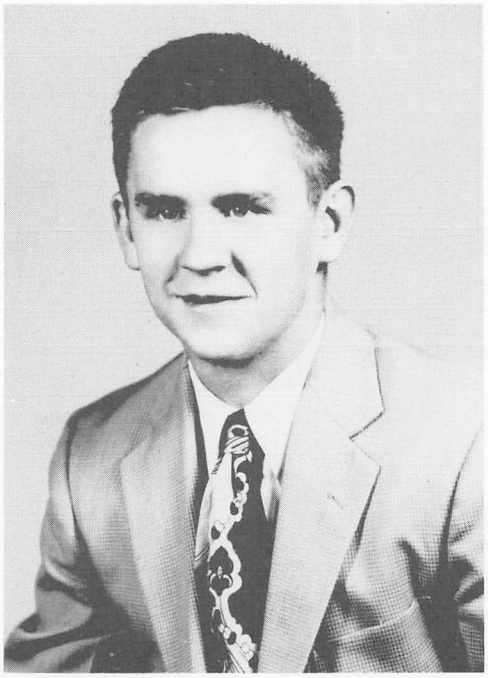




BYRON PETERSON, business manager, is Vice President of the "T" Club and also of the Senior class. He is a steady, dependable student, showing versatility in both music and sports.

BEVERLY SCHUMACHER, photographer, has not only been a very good student but has also done good work in her extracurricular activities-music and volleyball. She is class secretary-treasurer and is a member of the "T" Club and Pep Club.

JEANETTE STEPHENS, advertising manager, is our class president and secretary-treasurer of the Pep Club. This is her second year as cheerleader. Besides being an excellent student, she puts her heart into her music, volleyball and "T" Club functions.



LAURIN WINKELHAKE, circulation manager, has excelled in sports, including football, basketball and track. He is very serious about all of his work.
